

5.56 Multi-Purpose Lubricant

- Superior penetrating power that breaks through rust & corrosion while it cleans away scale & dirt.
- Eliminates the need for many disassembly operations.
- Protects metals against corrosion & displaces moisture to help start wet engines.

Part No.	Description
CRC5005	400g Aerosol
CRC5004	4 Litre
CRC5009	20 Litre

Pump Applicator

1 Litre

- For use with most CRC cleaners & degreasers including Brakleen Compliance.

Part No. CRC4015

Brakleen Compliance

4 Litre

- Designed to be applied using a plastic sprayer, creating a mist which settles & removes dust from brake & clutch assemblies.

Part No. CRC5094

Switch Cleaner

- Specially formulated to provide the single operation of both cleaning & lubricating sensitive switches & contacts.

Part No. CRC2001

808 Silicone Spray

330g

- Lubricates door locks, hinges, linkages, window guides & brushes & reduces friction & galling.
- Extreme temperature range (-40°C to +350°C).
- Clear odourless formula that won't wash off or dry out.

Part No. CRC3055

Contact Cleaner

350g

- CO Contact Cleaner is a inert plastic safe, non-staining cleaning solvent, with rapid evaporation.
- NF Contact Cleaner is a precision cleaning solvent, chemically stable with no flash point, non-conductive and non-corrosive.

Part No.	Description
CRC2016	CO Contact Cleaner
CRC2017	NF Contact Cleaner

Citra-Force Cleaner & Degreaser

- Citrus based, industrial strength, water soluble.
- Safely cleans aluminium, stainless & anodised surfaces without streaking (neutral pH).
- Removes heavy grease & Lanotec coatings.

Part No.	Size
CFPP400	400g Aerosol
CF1	1 Litre
CF5	5 Litre
CF20	20 Litre

Heavy Duty Liquid Lanolin

Protects & Lubricates

- Corrosion protection in harsh & highly corrosive environments.
- Lubricates & extends the life of pulleys, blocks, swivels & heavy chains.
- Lubrication & protection of wire ropes, cables, chains & electrical components.
- Non conductive to 70Kv.

Part No.	Size
HDPP400	400g Aerosol
HDSP750	750ml Spray Pack
HDSP1	1 Litre Spray Pack
HD1	1 Litre
HD5	5 Litre
HD20	20 Litre

DOT 4 Brake Fluid

- Synthetic product specially formulated to cope with demanding styles of everyday driving.

Part No.	Size
BF-500ML	500ml
BF-4L	4 Litres
BF-20L	20 Litres

Brake & Parts Cleaner

- High quality, industrial strength cleaner suitable for use in many applications requiring the removal of heavily built up oil residue, grease or dirt.

Part No.	Size
BC-400G	400g Aerosol
BC-20L	20 Litres

Copper Anti Seize Spray

- Prevents corrosive seizure of all types of screw threads even in hostile, wet conditions.

Part No. RY482482

Nickel Anti Seize Spray

- Aerosol spray for stainless steel components.
- Helps prevent seizure of threaded components that are subjected to extremely high temperatures for long periods of time.

Part No. RY480455

Killrust

300g

- Anti-corrosive Epoxy formula.

Part No.	Description
114632.530	Heavy Duty Grey Primer
115201.530	White
115202.530	Black
115208.530	Matt Black
115214.530	Sungold
115207.530	Delicious Red
115212.530	Pewter
115213.530	Aluminium
115205.530	Green

85 Plus Diesel Additive

- Promotes better fuel combustion & fuel system lubrication.
- Extremely powerful high temperature detergents clean injectors.

Part No.	Size
70802-1	354ml
70805-2	3.78 Litre (1 Gallon)

Water Wetter Diesel Blue

442ml

- Designed for heavy duty diesel equipment & machinery.
- Heat transfer benefits.

Part No. 80213

TITAN XTRA Life Coolant

Premix

- Ready-to-use.
- Ethylene glycol base ensures excellent antifreeze/antiboil protection & superior heat exchange qualities.
- Specially formulated to provide 5 year or 250,000 km complete cooling system protection.

Part No.	Size
3330005	5 Litre
3330020	20 Litre

TITAN XTRA Life Coolant

Concentrate

- Amine & phosphate free.
- Formulated with hybrid organic acid technology.
- Designed to meet the performance requirements of passenger cars, 4WD's & light commercial vehicles.

Part No.	Size
3329001	1 Litre
3329005	5 Litre
3329020	20 Litre

TITAN HDD Coolant

Premix

- Low silicate formulation suitable for European, American & Japanese turbo-charged & naturally aspirated heavy-duty diesel engines.

Part No.	Size
3222020	20 Litre
3222025	205 Litre

Titan HDD Coolant

Concentrate

- Heavy duty diesel engine coolant.
- Amine & phosphate free.
- Advanced hybrid organic acid technology.
- Special additives provide protection from cylinder liner pitting corrosion.

Part No.	Size
3346020	20 Litre
3346205	205 Litre
